

3 months before moving

- Finalize your moving dates and book your air tickets
- Ensure your passports are active and valid
- Search for professional moving companies and ask for shifting quotes
- Check for the documentation requirements of the country you are moving to. Make a folder and start filing all the important documents
- Finalize a moving company that fits your shifting needs and budget. Get your house inspected and ask them for any advance shifting preparations
- If you are planning to fly your pet, ensure to vaccinate your pet and obtain a fit to fly health certificate from the vet
- Apply for transfer certificate at your children's school in advance
- If you are planning to sell your car, house or any household belonging, put it for sale in the market

2 months before moving

- Organize your visas and check for the necessary insurance policies
- Inform your bank and try to obtain a global account if possible
- Clear off all outstanding dues and make arrangements for swift transactions for all those monthly savings, repayments, mortgage payments etc.
- Look into all pending legal actions if any and clear it at the earliest
- Start discarding all the unnecessary belongings by arranging a garage sale
- Coordinate with the moving company about the customs and regulatory policies

1 month before moving

- Change and update your address on all the documents necessary
- Inform the respective people to discontinue gas, electricity, water connection from the effective date of moving

1 month before moving (Continued...)

- Complete all the paperwork in coordination with the moving company
- Inform everyone about the move and seek help, if needed
- Forward your new residential address with your close ones
- Make to do lists once you reach your destination
- Stock up on all the emergency and prescribed medicines, if any

On the moving day

- Pack your valuables well in advance before the arrival of the moving company
- Ensure everything is packed securely and nothing is left behind
- Read the shipment documents carefully, get it sealed by the moving company
- Verify the delivery details with the moving company
